“ALL PAWS FOR SAVH” -DOGATHON 2008 - Four-legged animals doing their bit for charity -

21 February 2008 – Known as men’s best friends, our pooches are doing their part for charity this coming Sunday.

After the success of their first Dogathon in 2001, The Singapore Kennel Club is organizing the Dogathon, in aid of the Singapore Association of the Visually Handicapped.

Participants will be walking for approximately 2km through a safe route within Bishan Park II, located at Ang Mo Kio Ave 1. Participants need to only make a minimum donation of \$15 or more and they can register at the onsite booth on the day of the event. All participants will be given a goody bag upon registration (while stocks last).

The event, sponsored by Nestle and Purina ProPlan and supported by NParks will take place on 24th February from 4pm to 6pm.

This event is part of the Companion Dog Section of SKC and it is their effort in building awareness towards a charitable society.
